Ride The Storm

Mitsubishi wanted to put their All-Wheel Control (AWC) technology to the test against the toughest winter conditions, so they invited us on a grueling road trip to help them track a storm as it moved inland across the country.

See how it all went down!

The following message is transmitted at the request of the centers for disease control and prevention (cdc):

In the wake of Sandy... it is important for citizens to remember the following information to protect your life and health and that of your family:

- \* drink clean... safe water and eat safe... uncontaminated food
- \* keep generators outside at least 25 ft from doors... windows and vents
- \* do not grill inside your home... the fumes can kill
- \* never touch a downed power line or anything touching one
- \* use 1 cup of bleach for each gallon of water to remove mold
- \* never mix bleach and ammonia... the fumes can kill
- \* washing your hands prevents illness
- \* seek help if having trouble coping

For more life saving health related information call the cdc at 800-232-4636... tty 888-232-6348. [Http://emergency.Cdc.Gov/disasters/](http://emergency.Cdc.Gov/disasters/)
